We remember...

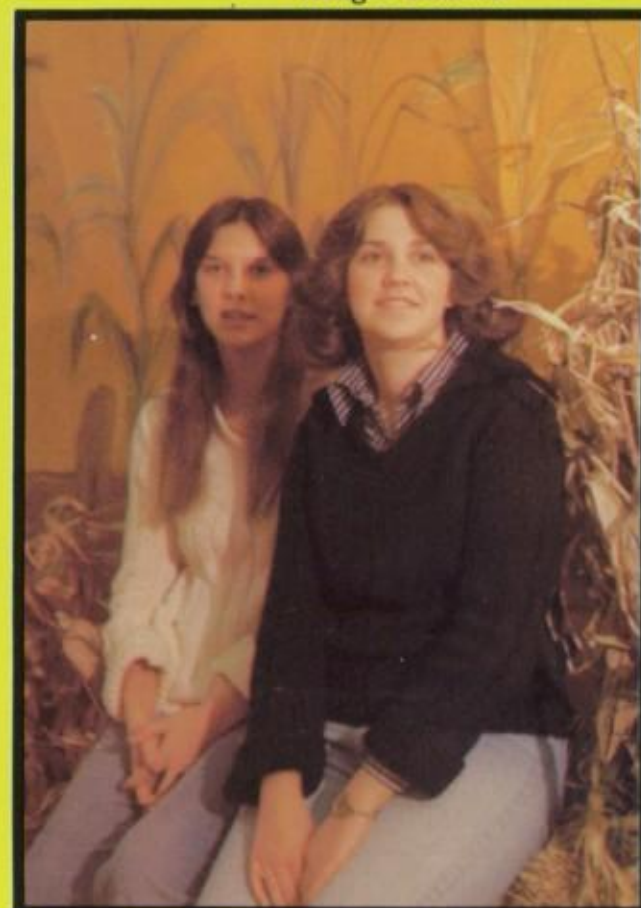

Remember how we were when school doors were the boundaries of our world? Bells told us when and where...teachers told us how. We met and our lives were our friends... phantoms now, but they will always be here in this book.

Alright Seniors!

Mr. Painter is taken over by the force

Darlene Russel and Donna Russel take a rest on a bay bail

Student Senate Promotes Spirit

The Student Senate compiled a long list of accomplishments in a very active and busy year. Responsible for all major school-wide activities, the Senate sponsored a successful homecoming centering on the theme, "Land of Oz", two fun-filled spirit weeks, the third annual field day, pep assemblies, etc., and hosted the Western

Ohio League spring student council workshop. The group raised over \$400 to buy toys for children, completed the redecoration of the main lobby begun last year, helped to refine the self-scheduling process initiated last year, worked with cafeteria personnel on menu improvement, and acquired equipment to provide every student with an ID card and is working toward a discount system for athletic events to be used with it. Be it in the area of social, governmental, service, charitable, etc., the student senate is involved, stated Mr. Young.

What do you want for Christmas?

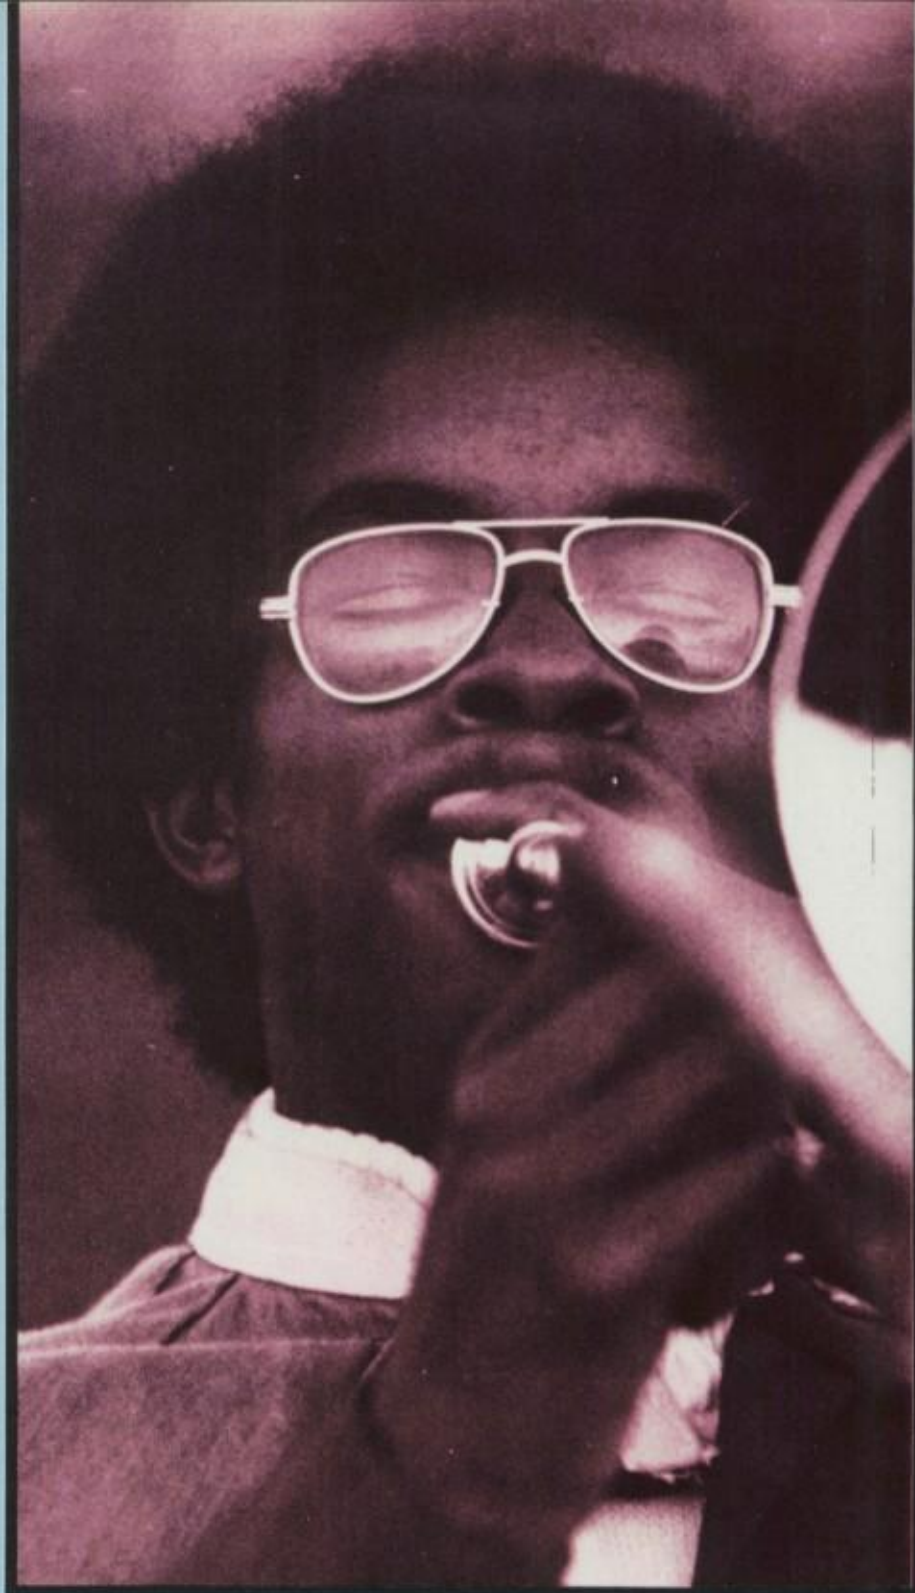

The Wizard of Oz comes to life

We remember annexation

You, of all people...sing to my mind and heart. You are not a cloud that vanishes from my thought when time comes between us. You are like the spring flower that survives the late frost and grows.

J. Tyler hits a high note

John Salmon announces football games

Senior gym sails away

Seniors Sail and Skate for Credit

Stebbins offered a new class in physical education this year. It was only offered to seniors and it consisted of four units. The first unit consisted of gulf, swimming and

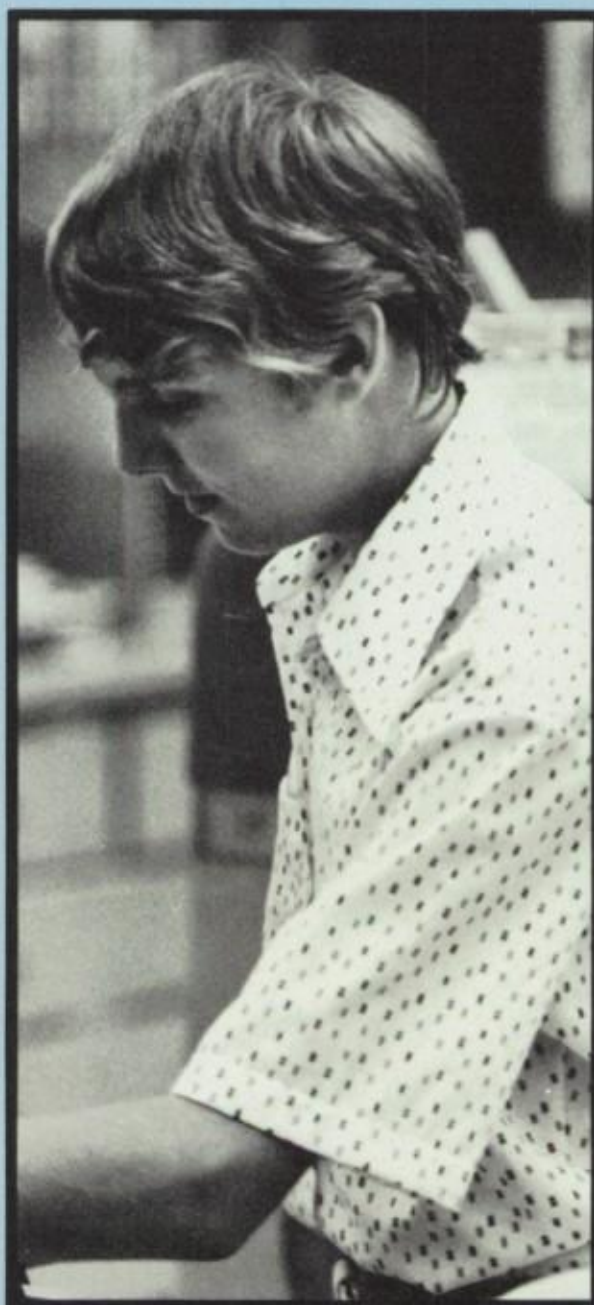

boating. The second, bowling. The third skating and the fourth tennis and racketball. A student is required to pay \$15.00 per unit. Seniors seem to really enjoy it. After talking

to a few of them they gave comments such as "It is a great break in the day." "It teaches you to do things you like to do." The program was a great success and they plan to have it again next year.

In-School Suspension Gives Alternative

In -school suspension is a program for students who have received 20 demerits or more. The program is designed to help students stay out of trouble and deal with problems. There is a point system in the class and if a student gets fifteen points, he is required to stay in the program for an additional half day. It

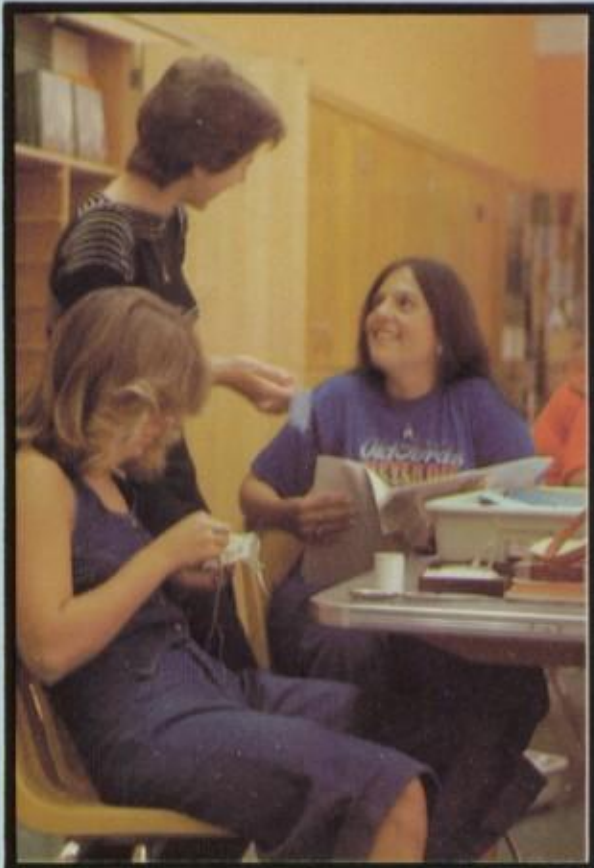

gives students a chance to catch up on their school work and be counted present at school instead of being sent home for three or more days. This program is run by a trained counselor, Jim Russell. It is his job to help the student by working with him individually as well as working with student groups.

STRANGE EVENTS SHAPE STUDENT LIVES

Students life is occupied by a strange variety of events which shape the memories of school. Happy times and sad ones, mysteriously we remember what moves us.

We will all remember the

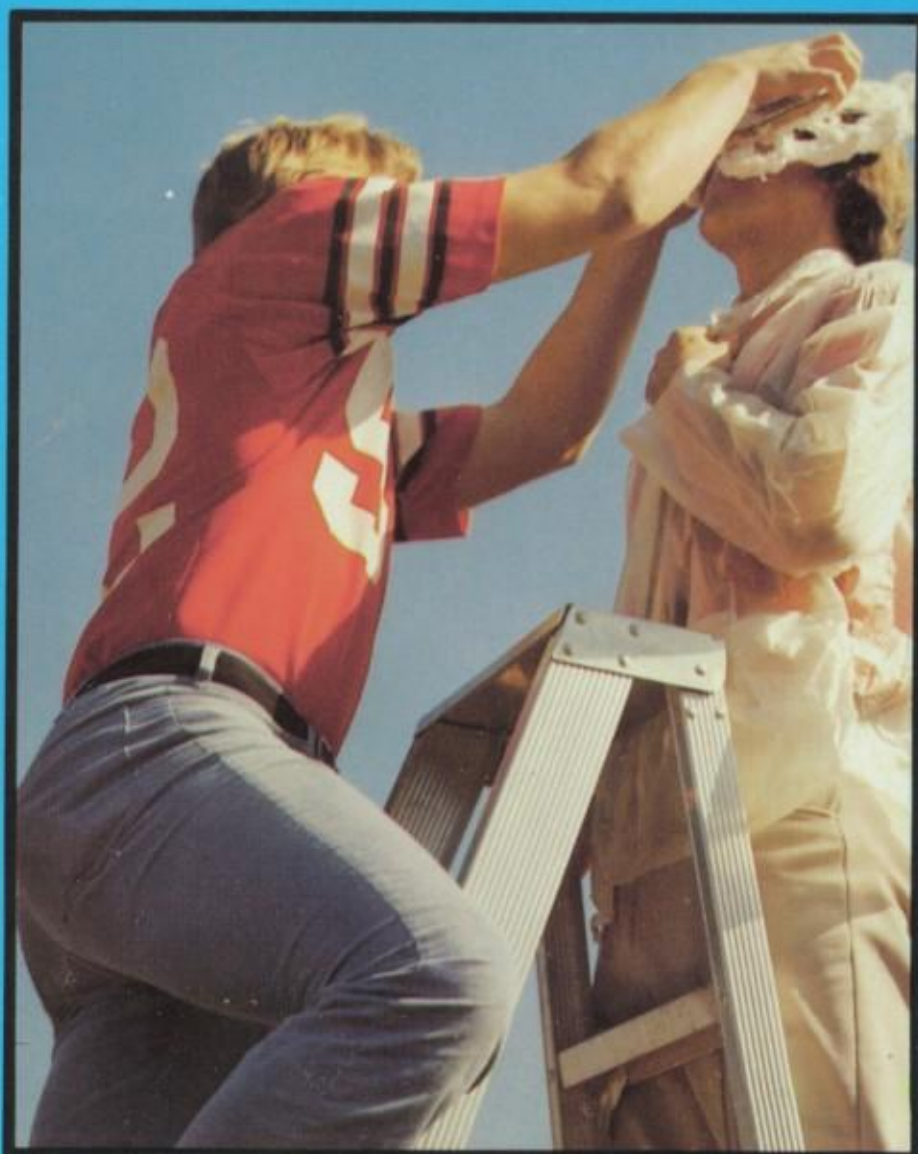

day when Mr. Bonza climbed higher as the students cheered. Each time the cheer increased in volume, Mr. Bonza climbed another rung until finally he took a pie in the face as a result of a spirited

crowd. Despite the enthusiasm of the assembly, the team suffered a heartbreaking loss.

Throughout the year we will have good times as well as bad, but no matter what the memory, it will be ours.

K. Fulcher watches seniors win bed race

Coach Bonza takes pie in face

ALL TOGETHER...We are all together, even when we aren't aware of it. We are part of everyone we meet, and each belongs to us. Visions of our identity are mirrored in those we touch and love.

All alone, I pass my day in shadows searching for someone... searching for me. Like a single bird in a barren tree...like a morning fog, I'm there-unnoticed.

Scott Slezak plays D.J.

Juniors cheer on

If the score board syas it, believe it

Arena Scheduling Eases Problem

Last spring Stebbins tried a new type of scheduling. It was called Arena Scheduling. The student got to chose what class, period and teacher they wanted providing it was offered. The process went over

very well. Here are a few coments from students.

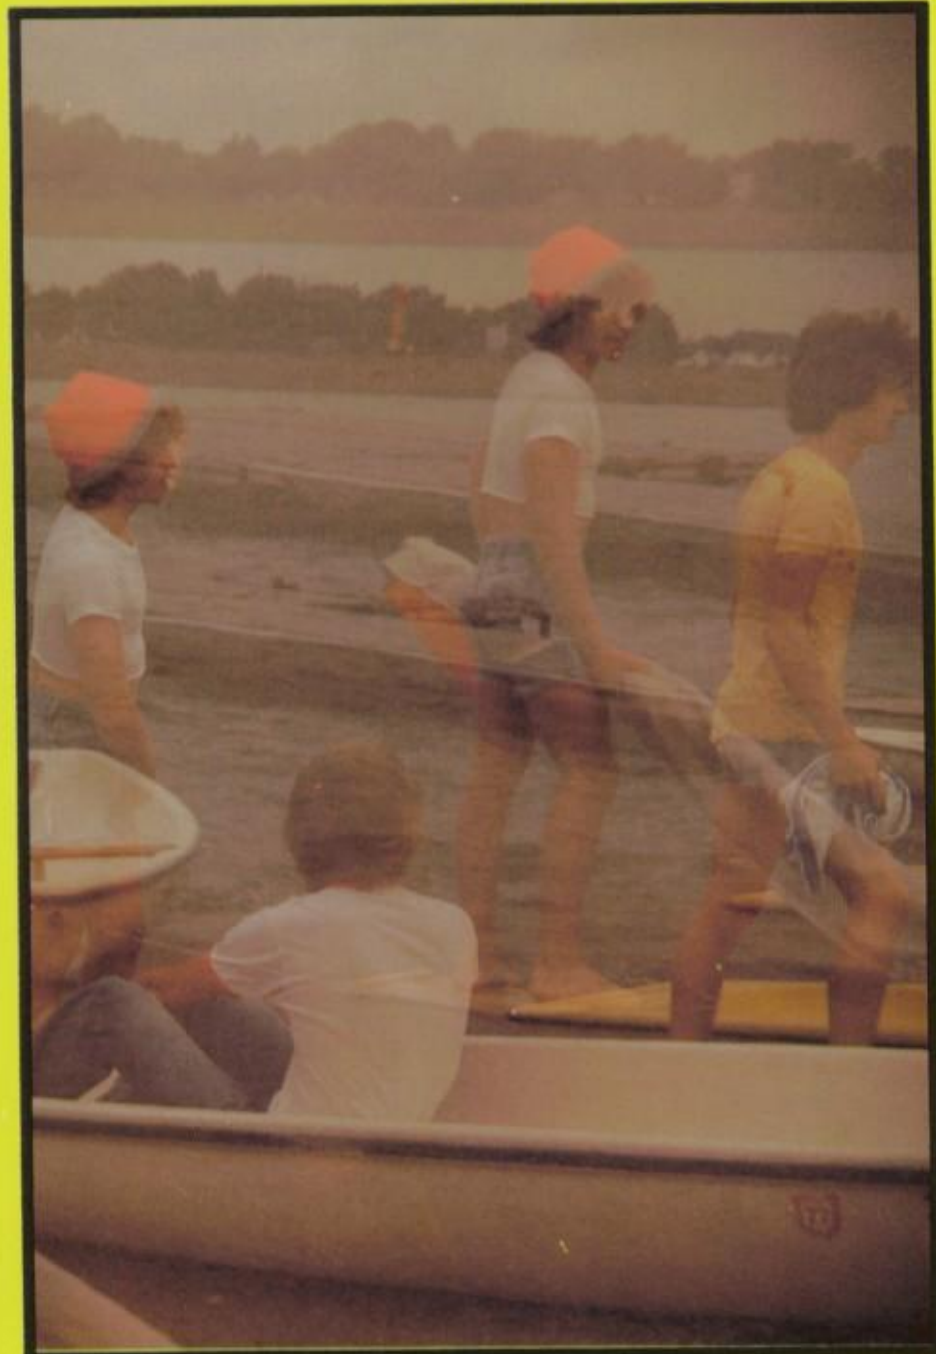

Ed Waker (senior)- "I liked it a lot until I found out that Senior P.E. was only offered 2 periods."

Nancy Carusone (junior)- "It

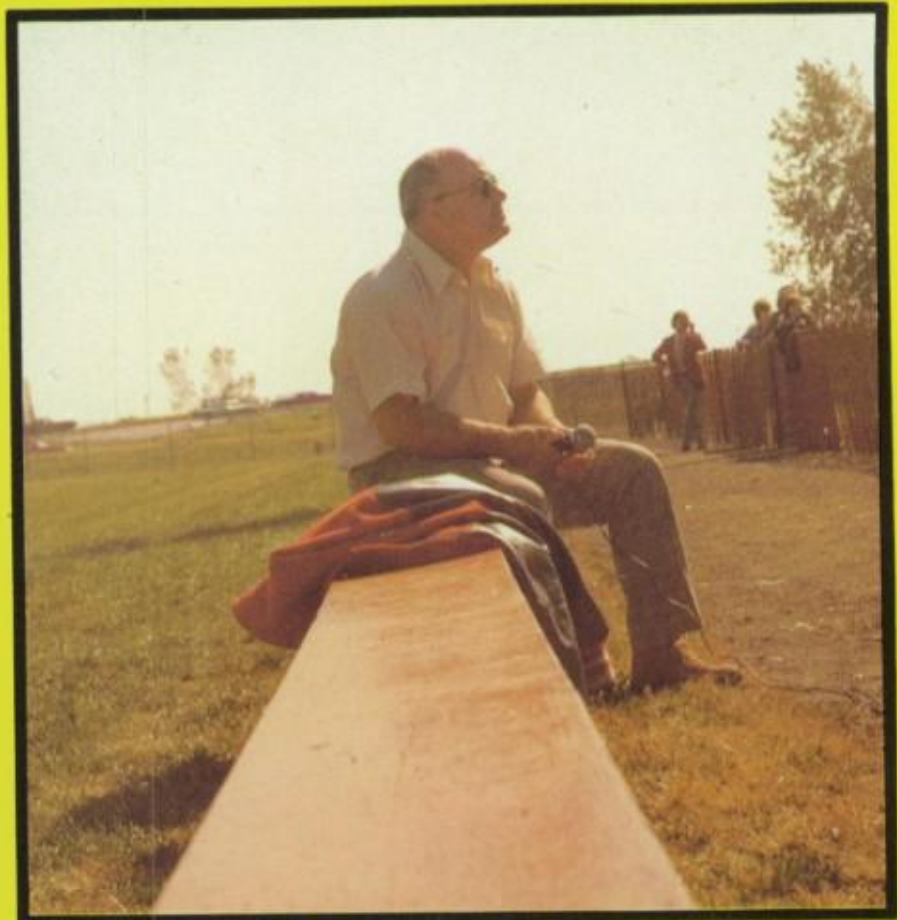

was ok but the people who were chosen to go last don't get what they want. They should continue having it. Sharon Chapman (soph.)- "I liked it, I got every thing I wanted. They should use it again this year."

Ruth Barber hard at work

Ted Gantley enjoys a day at the lake

Mr. Murray patiently awaits

Times and places are the pin-points from which I radiate...my life measured off in seconds and inches...trapped in the circle. But, like the circles on an open pond. My circle widens and I know more of my world.

Blizzard Wipes Out January

This year, we the students of Stebbins have experienced many events. Due to snow and the blizzard of '78" we missed 12 days. There was a fire in the boiler room which

caused a power shortage and so another day was missed. Finally, the coal strike threatened to close the building and raised a fear of no school for

another length of time. Through all of this we have remained strong and ready to go-to cheer for our teams and dream of graduation or future years at Stebbins.

SPIRIT WEEK SPARKS SENIORS

A lively pep assembly climaxed Spirit Week, sponsored by Student Senate. During the week the seniors captured first place in the hall contest, the scalp, and the bed race.

Winning the bed race for the third straight year no challenge for the class of 78,

whose bed, complete with 8 track player, finished half a lap ahead of the struggling juniors.

1977 Spirit Week included jeans day, slick day, t-shirt day, and red and gray day. It was an enjoyable week for both the students and faculty.

S. Sefton and D. Brown pound out spirit.

HOMECOMING TRAVELS TO LAND OF OZ

Dorothy and Toto led the way to this years Homecoming activities entitled "The Land of Oz." Emerald City, the wicked witch, and the magical ruby slippers were included in the gala events. Before the pre-game a parade of floats was led around the field by the "Senior Firetruck" donated by the Mad River Fire Department.

First place was captured by the sophomore class. Second place went to the Seniors. Third place went to the Juniors and Vocational took last. Meanwhile, the court was lining up anxiously, waiting for the big moment when Debbie Jayne, the 1977 Queen, crowned Jackie Keyes as the 1978 Homecoming Queen.

During halftime while the

band performed selections from "The Wiz," members of the Senior class dressed as characters from Oz, danced throughout the show. A well-oiled tinman led the merry group in a romp among the drill team and "moonbabies." Although the Indians were defeated by Troy, Homecoming created many lasting memories for all.

T. Kipp and P. Reichert seek OZ.

"AUDIENCE PREFERS BLONDES"

The lighthearted comedy-"Gentlemen Prefer Blondes" opened November 18th in the Stebbins' auditorium. The 1920's comedy centered around two girls, Lorelei and Dorothy, who travelled to Europe to complete their education. On the ship Lorelei realizes that she has left all the traveller's checks back in New York. When she and Dorothy try to borrow money they are accused of extortion and nearly thrown in jail.

In Paris, Lorelei loses the address of the banking agent who has the traveller's checks, so the girls pawn all their possessions. In desperation, Lorelei pawns her engagement ring only to discover that Henry mistakes her for a criminal.

Mr. Lee, Lorelei's daddy, saves the day when he comes to Paris to rescue the girls. He pays the hotel bill and gives his approval of Lorelei's marriage despite pleas from his sister-in-law, Dolly, and Henry's mother's companion, Miss Chapman. Dorothy also finds love with a struggling writer, Sam, who can't get past the prologue in his book.

New Activities Improve Spirit

Stebbins Student Senate sponsored the week of February 6th through 10th as this year's annual Spirit Week. Monday was sweater and jeans day. Tuesday was dress-up day. Something new this year for Wednesday "Honor a Player Day." Each homeroom was given a designated winter sports player to honor by decorating their lockers, bringing in flowers, cakes and posters. Thursday's activity was also new. Students were to bring in anything they liked to dress up their respective homeroom representatives. The week ended with Friday being red and grey day.

The pep assembly wasn't

held until the following Thursday because of the basketball tournament starting that night. In a tug of war battle, the seniors pulled a close win over the juniors and sophomores. After a few words from Coach Taylor, the pie-eating contest began. Seniors Mark Jones and Stuart Smith were victorious over second place juniors and third place sophomores. At last came the scalp cheer. Tension filled the gym as the seniors vowed to regain the scalp the juniors had stolen the time before. Sophomores took third, juniors second and the mighty seniors captured first to end an exciting assembly.

Stebbins Alive with "Sound of Music"

Rodger's and Hammerstein's bright heartwarming musical, 'The Sound of Music' was performed by Stebbins Students on March 10, 11, and 12. The play was about a young postulant nun whom the Mother Abbess considered too wild for convent life. Maria, the postulant, was sent to be the governess for the seven children of Captain Von Trapp. During her stay Maria falls in love with the

children and later, their father. Maria and the captain marry, and while they're away on their honeymoon a family friend, Max Detweiler, enters the children in the Kaltzberg festival, the most honored festival in Austria. The Captain is ordered to join the Third Reich but it is against his principles, so after performing in the festival the Von Trapp family escapes to the mountains.

“Heaven” On the Stebbins Floor

At 8:00, Friday, April 14th the curtains open and the crowd falls silent. On stage a variety of people stand, some happy, some sad. They are waiting for their trip to begin. They are going to Heaven.

The 1978 fall play “Heaven Can Wait” is about a boxer named Joe who dies before his time. He is returned to Earth, taking over multi-millionaire Jonathan Farnsworth’s body. Farnsworth was knocked off by his wife, Julia and his personal secretary Tony Abbott, who are in love.

The hilarity begins when this one time scheming, sneak millionaire suddenly

becomes sweet, and starts giving back the money he swindled from people. Fight manager, Max Levene gets into the act when he realizes Farnsworth is really his Joe.

Joe falls in love with Betty Logan, the daughter of a man Farnsworth “arranged” to be put in jail. Having failed once, Julia and Tony shoot Farnsworth. Joe takes over the body of his boxing idol K.O. Murdock. When K.O. is shot during his championship bout because he refuses to throw the fight. As K.O., Joe again meets Betty. He is finally “back on his own road.”

Music Excellence Awarded

The 1978 music awards were held on May 24 in the auditorium. All first-year music students were awarded the letter "S". The second year award was a pin to put on first-year letters, and third year students were presented with plaques.

Two additional awards were also given out. The National Choral award went to Vicky Hensley, and Stan Middleton was awarded the John Phillip Sousa Award for outstanding performance in band.

Sophs Out-tug

Field day took place on Monday, May 27, 1978. Fifth period, the whole school headed out to the Football Field with high enthusiasm. The competition was high between all three classes. Activities included: a relay race, frisbee throwing, blind man's football, water balloon toss, six-legged race, leap frog, sackrace, bobbing for

Upperclassmen

apples and the scalp. Highlights of the day were the watermelon eating contest, with Bill Quarles inhaling a whole watermelon to win the event for the seniors, and the sophmores (thought of as the weaker class) beat the Juniors and the seniors in tug-of-war. Juniors showed alot of spirit by tieing with the seniors in the over-all event.

Senate Sponsors an Afternoon of Fun

D. Back tired of pie

The student senate did a fine job of planning field day. Although everyone did not participate, the people who did get involved seemed to thoroughly enjoy themselves. By the time the day was over, many were covered with everything from shaving cream to watermelon and pie. Others got a good workout from the fast moving events.

Many student senate members were running around trying to keep everyone in the right place, which was a very difficult task considering the number of people involved. All in all, field day was a success. Chalk another one up for the senate.

Stebbins Football Ends Another Aggravating

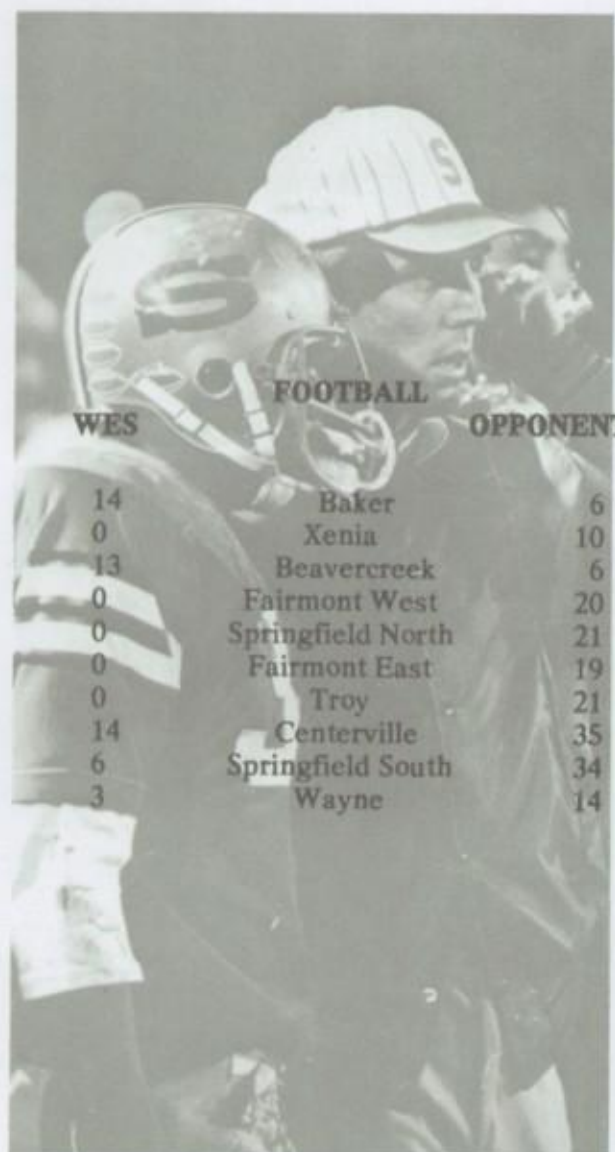

Stebbins' football team had one of it's best seasons in the last 3 yrs., winning 2 games. The defense was strong, but the offense punchless. Despite their losing season, the school was never lacking en-

thusiasm and spirit generated by the entire student body.

Coach Bonza said the Stebbins football season can be characterized by many words dedication sacrifice, joy, sorrow, extreme effort and to-

getherness. He has never - seen a harder working group of young men receive so little in the form of victories.

Each will be a better man for his effort during the season and some will continue their

First Year Soccer Team Kicks its Way

This year the Stebbins Indians ventured into the athletic unknown, soccer. They were a real surprise to everyone. They achieved a record of 7-3-2. The most outstanding game played by the soccer

squad was the game that they played against Centerville. Many teams then began to believe that Stebbins was not a pushover. The Indians upset the Elks, rated 2nd in the state of Ohio. The final score

of the game was Stebbins 2 Centerville 1. The Indians lost in the sectionals to top-seeded Northmont in their first sectional game, a team that eventually won the sectionals. senior Fullback Butch West-

Dynamic Duo Helps Stebbins Indians Finish Winning

The high jumping and fast Indian basketball team finished third in the W.O.L. The Indians dropped into third after losing on a buzzer shot by the Centerville elks. Finishing the season with a

12-8 and two all-area All-Stars. Outstanding 6'-6" forward, Virgil Kennedy, averaging 20.1 points and 15 rebounds a game made the first team and equally fabulous 6'-5" forward Tim Elam

averaging 19.2 points and 12 rebounds a game made the third team. Also both were on the W.O.L. All-Stars.

The Indians had plenty of fan support both at home and away. They were a simply

Girls Basketball Closes Out Season

The girl's basketball team did it's best to excite the crowd and win the game. Although they did get beat by the Ohio powerhouse schools, like Springfield North and Fairmont West, rated first and third respectively in the

state. However they did surprise a few people by either staying close or winning.

The team held true to it's tournament tradition. They were expected to take last place in their district tourney instead they finished third.

The Indians had surprising victories over Northmont, Springfield Shawnee and a spectacular game against third seeded Springfield South. With just four seconds remaining in the game and the girls down by two, senior

guard Karen MacCannell stole the ball and drove in to send the game into overtime, where the Indians secured a victory. They lost in the semi-finals by three points to Trotwood-Madison and gained a third place finish. Mary

Kostic was high point scorer in the tournament.

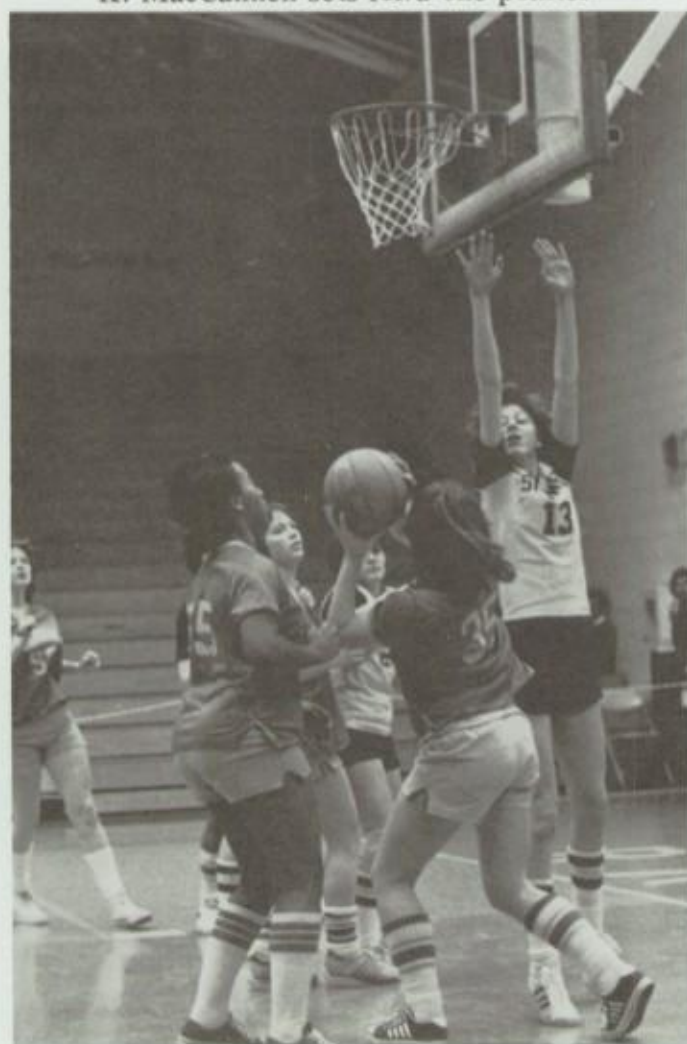

The Indians had a record of 4-13 in regular season action and a 7-14 record including post season play. Considering that the girls barely had any support except family and a

small rowdy group of student supporters, they had a decent season. Karen MacCannell was voted most valuable.

GIRL'S VARSITY BASKETBALL-BACK ROW: R. Thompson, T. Kipp, M. Kostic, T. Wheeler, A. Foster, Coach Hastler, **FRONT ROW:** K. MacCannell, N. Drosdak, C. Mino, M. McCoy, L. Pound.

Stebbins Matmen Scramble to Respectable Record

The Indian matmen pinned their way to an 8-5 record. Although the Indians did not send any of the wrestlers to the state competition, they did send 5 wrestlers to district competition. These wrestlers were Donald Brown (98lb.),

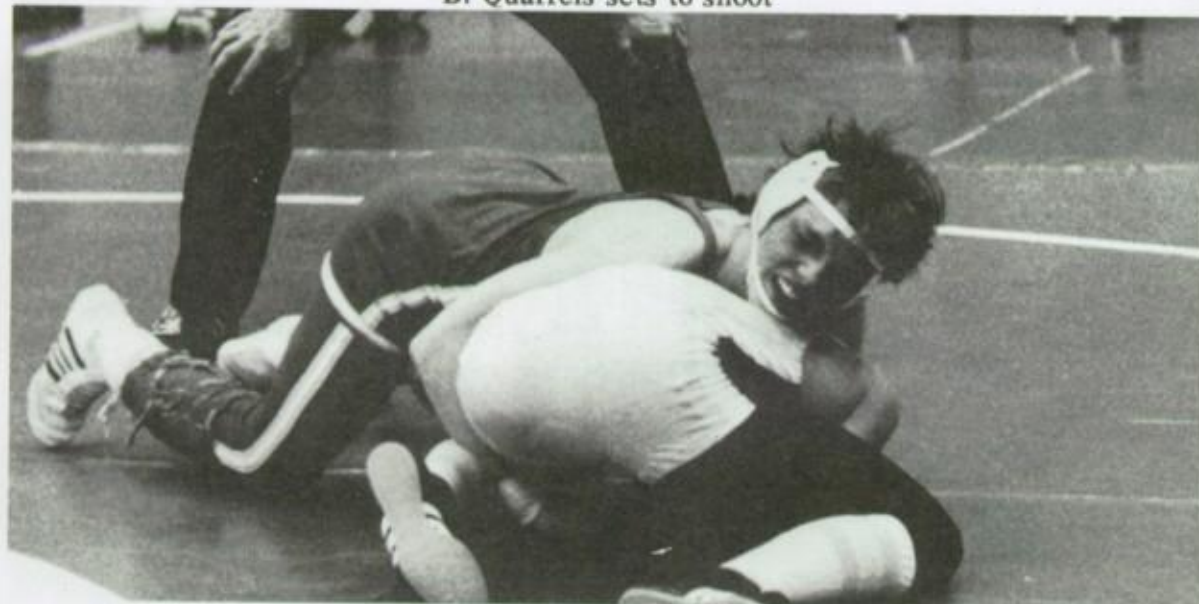

Keith Trammel (126 lb.), Bill Holman (145 lb.), Tim Mason (185 lb.), Bill Quarells (hwt.). All were seniors except sophomore Donald Brown.

The Indians wrestled even better than their record indi-

cated, they had good performances against such powers as Centerville, Fairmont West and Troy. Tim Mason was voted most valuable wrestler and Bill Holman recieved the coaches award.

Stebbins 78 Boys Tennis Team

The Boys Tennis team had another unique season this year. Spirits were high during the whole season, but for some it was complete turmoil. Senior George Walters broke three rackets in three days.

But there were the good times getting off the courts. It

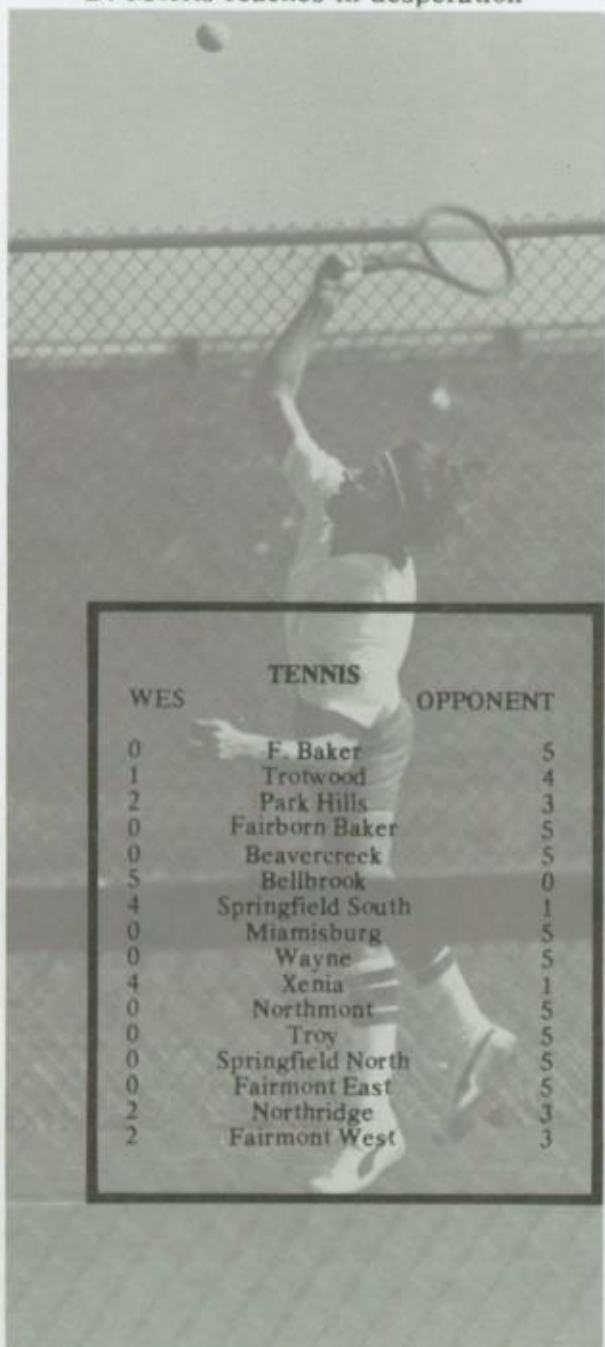

wasn't the problem that the tennis team was bad, the opponents were just better. Captain Eric Jundt lost a brutal contest to a young lady at S. North. Eric indicated that he had trouble keeping his eye on the ball.

There is some hope though.

VARSITY TENNIS-BACK ROW: D. Grusenmeyer, D. Frearson, J. Mongaraz, b. McDonald, Coach Eviston. **FRONT ROW:** G. Walters, D. Morris, E. Jundt, G. Dickson, K. Fulcher.

Endures Season of Trials, Tryouts, and Tribulation

Junior Gibbs Dickson will be coming back for his third year. Even though his winning record was very poor, he gave his opponents excellent matches. Junior Dale Morris did an outstanding job on and off the courts. Darrell Frearson, and John Mongaraz, had interesting

times at doubles with Bruce McDonald and Dana Grusenmeyer as backups. The biggest surprise came from Senior Kevin Fulcher with his big wins in doubles.

Tim Eviston's enthusiasm inspired the team throughout

every match. But without his sympathy the team would have gone insane.

Their final record was a unique 3-12, its best in two years. E. Jundt was given the Coaches Award and G. Walters voted M.V.P.

V.I.C.A. Grows

Vocational Industrial Careers of America consists of Auto Mechanics, Auto Body, Cosmetology, Drafting, Clerical and Electronics. It helps students to find careers in the scientific field. V.I.C.A. had a very full schedule this year. As the year opened, they chose their new V.I.C.A. officers. Shortly afterward they had their annual beauty contest in which they chose their new V.I.C.A. Queen; Kim Terrill. They sponsored their third annual fruit sale, selling oranges, grapefruit and tangelos, raising over \$3,000.

As the year drew to a close, they took the leftover sale money and had a banquet at Suttmillers. Everyone enjoyed himself and reminisced over the past year.

Student Senate Active

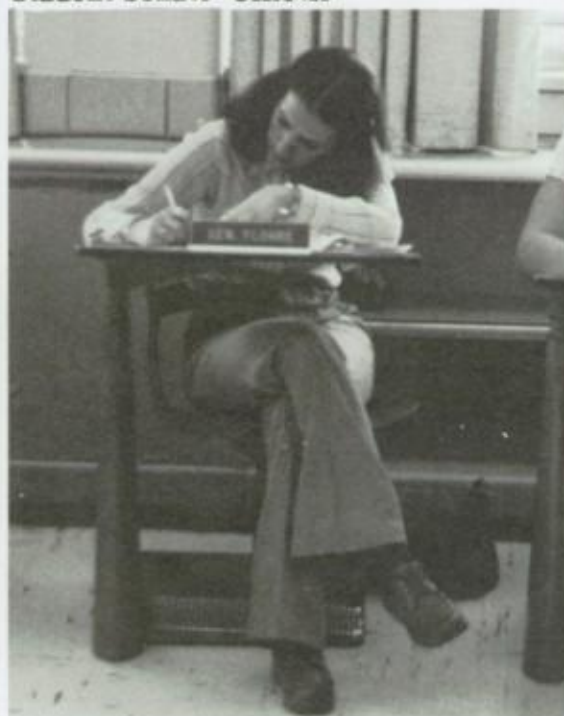

One of the most important organizations of Stebbins is the Student Senate. They have made numerous contributions this year, as they do every year. Among these contributions was the new lamp and plants for the front lobby. Some of the activities the senate organized were homecoming, spirit week, W.O.L. Day and field day. The work that went into these activities was outstanding. Without the Student Senate, these activities would have never come about. Thanks to the senate for another great year.

Staff Improves 1978 BATAWAT

This year the yearbook staff was accompanied by the use of a new computerized composer. This makes the copy twice as fast to type and will also help us to meet our deadlines by early spring. Due to the \$2,100 that the staff collected during summer school last year, we were able to purchase the silver mylar cover. We also included senior activities. The theme for this year's book is "We Remember." The staff is looking forward to October when the book will be delivered. We hope Stebbin's students are pleased with the book.

YEARBOOK STAFF- SECOND ROW: B. Geswein, S. Lewis, C. Doolittle, D. Marsala, D. Guinaugh, B. Meyer, L. Prewitt, J. Jefferson, R. Leach, advisor: Mr. T. Painter, K. Music. **FIRST ROW:** G. Dickson, T. Pennington, K. Singletary, C. Ley, C. Mack, S. Beal, J. Brubaker. **TOP:** A. Popella.

Smoke Signal Probes Issues

This year's Smoke Signal staff did an excellent job on the newspapers. Under the direction of Mr. Ullery and editor, Stuart Smith, the staff investigated such topics as the operating levy, the effects of in-school suspension, and the efficiency of student senate. These articles, along with many others helped the paper to be a success. The Smoke Signal Staff also organized a carnation sale which cleared approximately \$400. The staff is preparing for an even better paper next year.

Clubs Spark Student Interest

F.B.L.A-Future Business Leaders of America is designed in cooperation with the business career. This year F.B.L.A. members worked very hard to host a convention in Cleveland. Their main money raising projects were pretzel sales. They also distributed cookies to all the teachers before Christmas vacation.

Mr. Whitaker designed photography club for the main purpose of teaching a student how to use a camera for their personal use. He tries to stress creativity and helps students to build their photographic skills.

C.O.E.-Careers in Office Education is designed to tutor students half a day and provide them with a class related form of employment for the other half of the day. They leave the school at a designed time everyday and travel to their job where they are paid for their time.

JCOWA Works Out Problems

Junior council on World Affairs is an organization that studies the problems and successes in the world today. The council has debates and discussions on the problems in our area and work out ways of solving these problems. This helps to prepare students for the problems they will face when they go out on their own.

JCOWA-BACK ROW: Mr. Watson, P. Holbrook, C. Kogge, J. North, R. Schurer, K. Matthews, J. Shull **FRONT ROW:** D. Johnson, E. Hurley, P. Doan, A. Doty, K. Jones, K. Hase, T. Doan.

Accent on Foreign Language

French and Spanish club are two foreign language clubs that have been successful in this past year. The French club consists of 24 members and is currently being conducted by Mrs. Kelsey. They explore the differences and similarities between American and French customs and traditions. This year they visited the Crepe Escape in Dayton's Oregon Village District.

The Spanish club is conducted by Mrs. Moore and has 9 members. Spanish club also explores differences in customs and traditions and hopes to do more with more members.

French Team 1st in State

The Society for Academic Excellence had its annual awards program to present awards to outstanding students in all academic areas. Membership to this society is open to all students who receive a 3.5 average or better. This year, the French Team placed 1st in the State of Ohio. The members, R. Mattleson, J. Lucente, J. Shull and M. Back, are to be commended on their hard work and endurance. ON an individual basis, Rhonda Mattleson placed first in the state in second year French and Julie Shull and Joseph Lucente placed third and fifth respectively.

The Social Studies Team also placed very high in the state. Phil Ashley received third place and Chris Kogge received fifth place.

The Dayton Bar Association Citizen award was awarded to William Chestnut. Congratulations to all who received awards.

TRI-M

The Best Year Yet

The Symphonic Band traveled to Columbus to attend the State Band Competition and returned with the highest ratings. They received a one for sight-reading, which is playing a piece of music that has never been seen by anyone in the band until it is handed to them at the contest. They also received a one in their selected music. This is a great achievement which took many extra hours of practice.

This year, Sinclair College invited Stebbins to perform their Spring Concert at their college. The Symphonic Band performed several selections of music which had a lasting effect on the audience. The band had a very memorable year.

SYMPHONIC BAND-BACK ROW: S. Geehan, J. Locker, B. Ellis, N. James, S. Sefton, L. Wilson, D. Brown, B. Wells, G. Atkins, S. Middleton, M. Cook, D. Davis, Mr. Wolf, K. Gifford, D. Marsala, J. Tyler, C. Ley, K. Klawon, H. Arledge, D. Pher-son, D. O'Brien, R. Harbin, S. Middleton

Administrators Lend a Hand

The work of administrators is often overlooked in examining the quality of a school. Administrators plan and arrange many of our school's special events such as the scheduling, graduation, and the artist series as well as handling student discipline. It's many times, a thankless job which requires special people.

Stebbins Explores New Ideas

Many changes were made at Stebbins this year to take more control of what is happening. A new type of suspension was made to keep kids in school instead of home,

and to help them from falling behind in schoolwork. Student ID's have also made a new start. They will be used as a pass for school activities, and facilities.

ROTC Strides Forward

AFJROTC is another elective course offered in the unlimited curriculum here at W.E.S. It is directed at those who are militarily inclined, like three years in basic training. In ROTC the students hold the same positions as they would if they were in the Air Force. Even though they will become responsible recruits, it's not all work, work, work. They hold ceremonies such as: The annual Dining-In, their Military Ball which is much like Prom also there is the Annual Review and Awards Ceremony which ends and regroups the activities earlier in the year.

Air Force Band plays for Pass and Review

Language Adds Foreign Flair

This year's language department still holds the same curriculum as last, yet in a more intensified manner. But in '78 students were able to really show off their bi-lingual abilities.

The French Scholarship Team placed #1 in state with individual awards as well.

In the Spanish courses students wrote produced, directed and performed a play in Spanish.

Also included in the department, though not too many people realize it, is a language which offers backward letters takes a lot of concentration, determination, and a very coordinated and cooperative tongue...it's RUSSIAN. It's different and unusual but you never when it might come in handy.

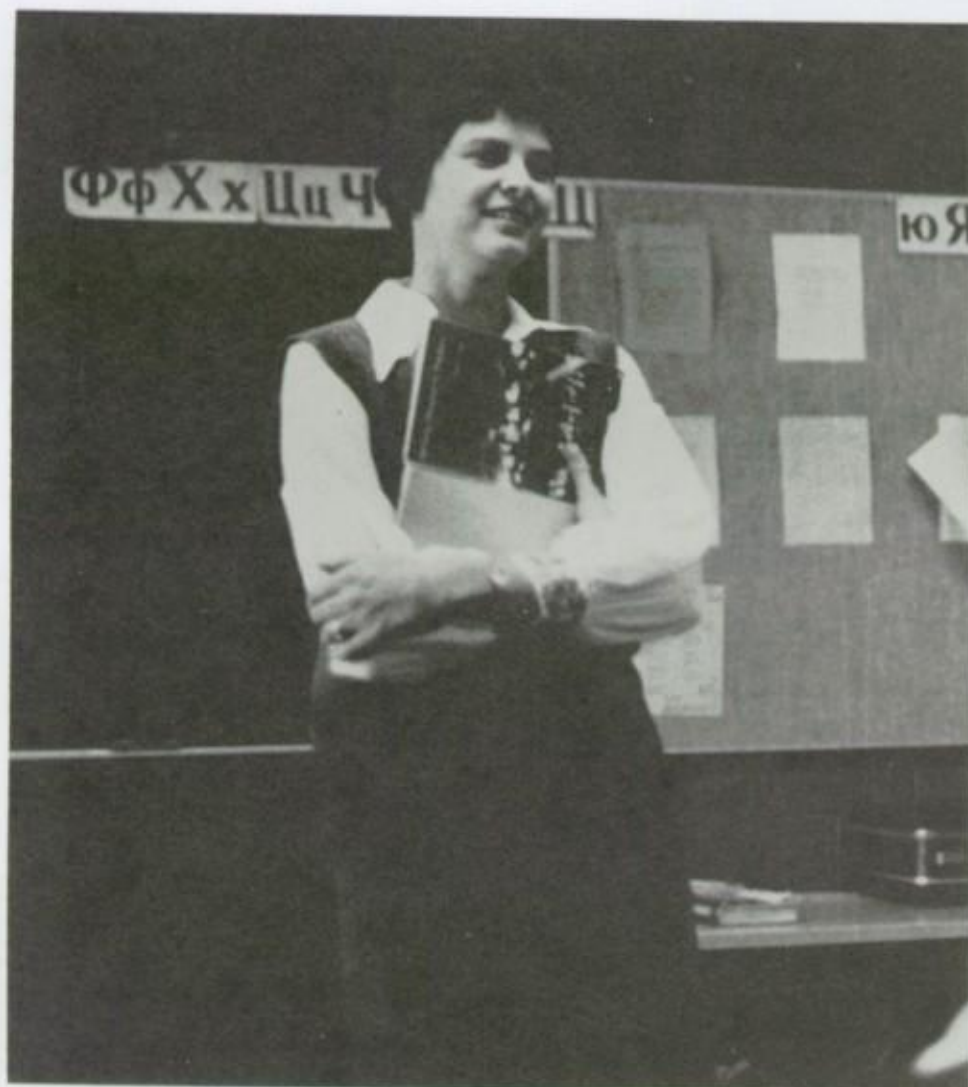

Mrs. Z. Kelsey

Mrs. J. Moore

Industrial Arts Participates in Industrial Arts Convention

The industrial arts department participated in the Annual Ohio Industrial Arts Convention in March of 1978. This consisted of student displays and teacher audio visuals. Students usually work individually on their projects. Each week there is a project of the week put on display in the cube case outside the industrial arts department. Clocks, tables, silk-screened T-shirts and drafting projects have been displayed.

Mr. M. Vest

T. Zahn broadcasting her daily program

The youth still conquers all

R. Mooneyhan constructing his plans

J. Bauer takes pride in her work

Mr. Cottle surprises his class

Students Draft for Future

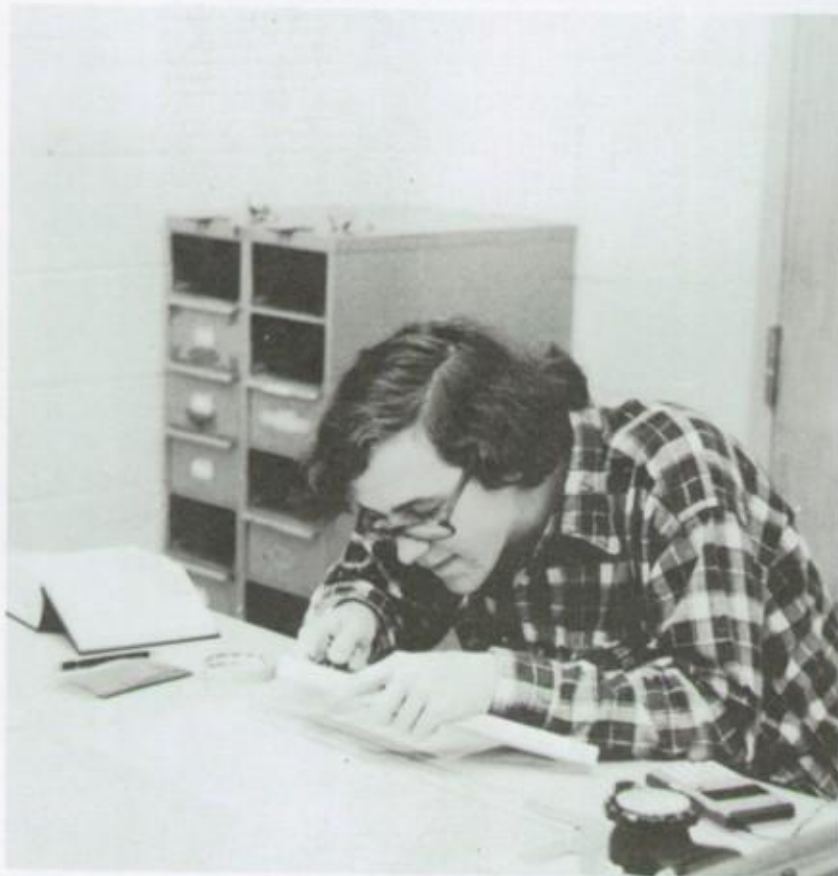

Drafting classes have a work experience program in which everyone in class works for an industry. All students draw for a company at the beginning of the year and starting second semester, if the company likes the students work, they will hire them. The student then comes to school in the morning and works in the afternoon. Every student is a draftsman and they work for companies such as Continental Design Consultants, R.L. Drake, Globetool, Hobart, D.E. Brent, International tool and others.

Electronics is another interesting class as shown by B. Lippke

Work Program Honors Student

Many students of the special education program and work programs serve the community in their job assignments as well as earning money. Ron Shurts, from Stebbins, was elected as the outstanding worker of the year by Dayton Boys' Club. Ron is in Mr. Taylor's work program.

In deep consintration with his work

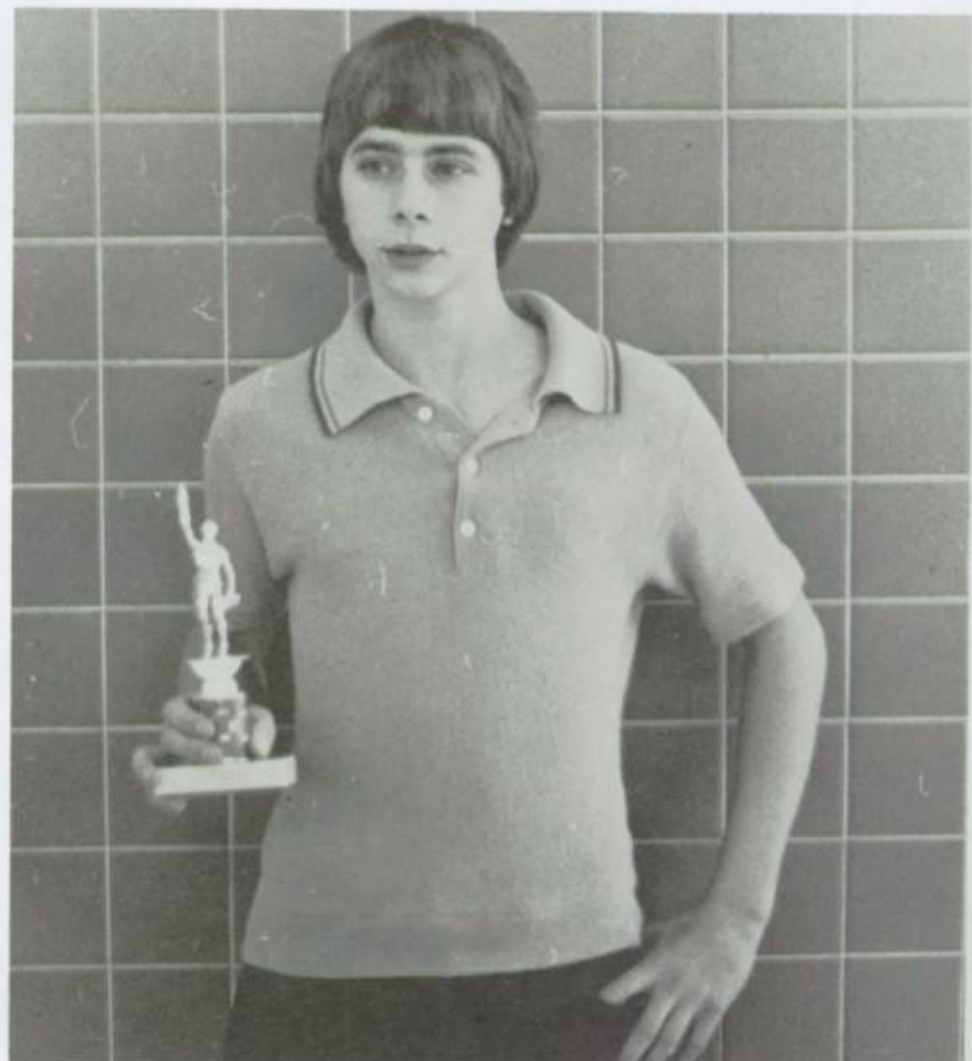

G. Kelly taking time to clean out his locker

Mr. R. Clingner
Mr. J. Miller

Mrs. D. Fedon
Mr. B. Roche
Mrs. G. Nesbit

Mrs. J. Tasso
Mr. R. Taylor
Mr. L. Walsh

R. Shurts elected outstanding worker by Dayton Boys Club

Special Teachers Aid Programs

Special talents are an absolute must for those who teach students in IPI, Important People Incorporated, and Special Education. Teacher aides have added immensely to the quality of these programs. Students in IPI

improved their dexterity on a new pinball machine and video game as part of their high school education. The library improved its holdings with the addition of many new books and audio-visual materials.

Ms. C. Brannigan

 omores.

Seniors...Spirited

Seniors are always at the top of the ladder when it comes to spirit and enthusiasm. Being the leaders, seniors set an example for the others who follow them. To some degree it was a trying year for the class of 1978.

Who would have suspected that a blizzard would disrupt school for two months and destroy spring break? Who would have suspected that the sophomores could out-tug the juniors and the seniors? Who would have believed that we survived it all to graduate with honor and dignity becoming an outstanding senior class.

Class of '79' Pulls Off Second Place in Bed Race

The juniors were well represented this year at homecoming. Junior attendants were Phi An Doan, Robin Hutchins, and Nancy Carusone. The sophomore class did not partake in this year's bed race, so naturally one of us had to come in second and the class

of '79' pulled it off....without the help of flying colors. The juniors obtained a highly spirited 2nd place standing in the scalp, and gave the senior class a run for their money by gaining a very close second for hall decorations.

The theme for this year's

homecoming was "The Land of Oz", which took a lot of determination and effort to recreate, on the juniors part, so everyone who passed through our hall, could momentarily find themselves in the "Land of Oz."

CHRISTOPHER PAUL TRZECIAK

LIFE SCULPTURE

Chisel in hand stood a sculptor boy
With his marble block before him,
And his eyes lit up with a smile of joy,
As an angel dream passed o'er him.

He carved the dream on that shapeless stone,
With many a sharp incision;
With Heaven's own light the sculptor shone-
He'd caught that angel vision.

Children of life are we, as we stand
With our lives uncarved before us,
Waiting the hour when, at God's command,
Our life dream shall pass o'er us.

If we carve it then on the yielding stone,
With many a sharp incision,
Its heavenly beauty shall be our own,
Our lives that angel vision.

Keith Goes to Head of Class

The sophomore student senate has been very busy this year. First on the agenda was Homecoming. The sophomores came up with the first place float, the first time in Stebbins history. They worked to collect money for needy children at Christmas. They have surveyed make-up days and food bills in Ohio senate. The sophomores helped plan VOL day, field day, the student senate gift, pep assemblies and the taking of student I.D.'s.

Sophomores Pleased with Scheduling

This year's sophomore class was the first class to enter Stebbins going through self-scheduling. Each student had an opportunity to come over to Stebbins and choose not only what classes he wanted, but what period of the day, and which teacher. Most students were pleased with this new type of scheduling.

Sophomores Relate First Impressions

This year's sophomore class had good first impressions of Stebbins. Mary Jo Braun said, "I really like the people. Everybody is very different. The school itself is big." Calvin Oliver feels that Stebbins is "big and friendly." According to Diane Robertson, "It's not as confusing as I expected. The people are so easy to get along with." Being a sophomore is not easy but it is a new experience.

Advertisements

Advertisers Contribute Financial Aid

Each year during the months June & July the Stebbins yearbook staff attends 6 weeks of summer school. During this time we finish off the previous yearbook & start selling ads for the next years yearbook. This year the staff had a spectacular year for selling ads. In the past we have sold between \$1,500 and \$1,800, but this year our staff sold more than \$2,200 in ads. A big "thank you" goes out to all the advertisers who contributed a large part to this year's Batawat.

Gail's an airman

Gail could be a jet engine mechanic, an automated data processing specialist or a member of the base security police force. Most of our more than 100 skills are open to women. And all of the benefits are the same as for male counterparts — a starting pay of over \$374.00 each month, housing, a food allowance, technical training, 30 days paid vacation each year and many more. The man who can offer you a challenging career is your local Air Force recruiter. Check it out today. Serve yourself while you serve your country.

PROGRESS & PARKLANDS

American Aggregates' primary mission is to supply accurately blended sand and gravel aggregates so basically necessary for construction, growth and progress. In addition, a very significant byproduct is created. The company's "Project PARKLANDS" is a carefully planned program to develop very desirable acreage for recreation, homesites, commercial properties and industrial parks.

Dear Students and Parents:

We at **JOSTEN'S** are proud to serve you!

We believe we have superior products, warranties, and service!

We are very "student oriented"—we have been working with high school students in this area for a cumulative total of seventy-one years!

We support high school publications, yearbooks, class programs, and athletics!

We contribute to colleges and universities, and even have a scholarship fund!

We are interested in, and enjoy working with, today's youth!

We are proud of our product and our service. We replace broken and chipped stones, re-size rings if needed, and completely maintain rings as long as the student is in high school—**at no charge!**

If you have any questions, or if you would like to see samples of rings or stones, please feel free to call us. **Our number: 890-0841**

"Good Luck to the Class of '78"

1978 BATAWAT Remembers

We remember when this book is taken from the shelf. It is filled with the faces and visions of our past. Forget the past? Hardly! The past is what makes the present meaningful and the future exciting. We are shaped by what we know of the past.

1978 BATAWAT
